The Texas Chapter Public Risk Management Association (Texas PRIMA) is now accepting proposals for its annual Risk Management Conference November 1–4 in Dallas, Texas. Presenters willing to share their expertise and enhance professional growth in the industry will address topics in the Educational Tracks section below.

SUBMIT YOUR PROPOSAL ONLINE BY JUNE 23, 2026

Proposals must be submitted on or before the deadline. **SUMMARIES AND/OR DRAFTS WILL NOT BE REVIEWED OR CONSIDERED.** Follow online submission instructions carefully and input your session information as per the template and instructions on pages 4 and 5 of this brochure.

REVIEW PROCESS

Texas PRIMA’s Education Committee and the Conference Committee will review proposals.

NOTIFICATION OF ACCEPTANCE OR DECLINATION

Presenter notifications will be emailed in mid-July 2026. Each presenter must confirm (accept or deny) the opportunity to present within 7 days after notification.

SPEAKING BENEFITS

- Participating in the growth of your profession and the risk management industry
- Visibility, recognition, and credibility within the industry
- Networking opportunities with industry professionals
- One (1) complimentary registration per session

EDUCATIONAL TRACKS

It is anticipated the conference will include several sessions for each educational track. Ideally, sessions will be chosen based on the expected needs of the membership. Submit proposals for one or more of the following educational tracks:

- General Risk Management/Insurance
- Employment Practices & Benefits
- Workers’ Compensation
- Safety/Claims
- Leadership and Professional Development

INCREASE YOUR CHANCES OF BEING SELECTED

- Consider submitting presentations that include new and innovative content and have not been covered by other presenters or at other conferences.
- Submit a proposal that demonstrates the application of learning objectives.
- Proposal should describe real-life experiences. Texas PRIMA attendees specifically like sessions that include case studies or results of concept.
- Special consideration will be given to Corporate/Non-Public Entity presenters who partner with co-presenters from PUBLIC ENTITIES for their session.
- Sessions pre-approved for one hour continuing education credit through the Texas Department of Insurance will be given preferential consideration.

DEADLINES

- Completed Proposal Due: June 23, 2026
- Presenter Notification: mid-July 2026
- Confirmation Reply Deadline:..... July 21, 2026
- Final Presentation Due: October 13, 2026

Would you be willing to present this topic at a virtual summit or monthly webinar at another time during the year? Yes No

How would agents and adjusters benefit from this session? - **ANSWER REQUIRED**

Example: This session provides information that can aid in identification/detection, response, and recovery from a cyber event. Cyber events are extremely difficult to prevent (due to the human element), but the cost of a cyber incident can be significantly impacted by the speed at which detection and response can be initiated. Agents and adjusters can use this information to further educate insureds/clients/organizations to increase their cyber resiliency and therefore, drive claims costs down.
