WELCOME

I spy Texas PRIMA 2025 Annual Conference!

Our theme this year is *Mission Possible: Agents of Change*, and I suspect that after attending, you will leave with evidence of learning, a good time, and an expanded network.

Per usual, we will open with a welcome reception on Sunday evening where attendees will have the opportunity to reconnect with peers and meet new ones, while enjoying some light snacks and drinks.

Monday morning will begin with an amazing keynote to get us mission ready and will be followed by a plethora of educational sessions where expert agents will share their knowledge and experiences.

Monday night, there will be casino night and a full buffet to enjoy while networking, and we are excited to have The Jukebox Heroes Band for entertainment! Prepare to dress up in your best spy or detective wear and put on your dancing shoes to fully enjoy the events of the evening! Some fantastic prizes will be available!

Tuesday will be a day full of educational offerings. Numerous sessions throughout the conference will be eligible for continuing education credit with various agencies.

Wednesday will have a final set of educational sessions available before we close with an inspiring and engaging closing keynote...and lots of door prizes!

This conference is sure to be fun but will primarily be another round of professional development and networking to enhance your career. I hope you will join us!

Jamee Higgins, CRM
President, Texas PRIMA

Lt. Col. Waldo Waldman

NEVER FLY SOLO: MISSION POSSIBLE

Mission Possible is more than a theme—it's a mindset. And no one delivers that message with more energy, impact, and altitude than Lt. Col. Waldo Waldman, The Wingman. A Hall of Fame speaker, combat-decorated fighter pilot, and New York Times bestselling author, Waldo will open this year's conference with a high-flying, heart-pounding message about trust, courage, and the power of wingmen.

Drawing on his experiences as an F-16 pilot and corporate leader, Waldo shares what it means to break through fear, lead through turbulence, and achieve peak performance with a "One Team, One Mission" mentality. With riveting stories and tactical takeaways, he'll inspire you to embrace change, perform under pressure, and elevate your team to new heights.

In this unforgettable keynote, you'll learn how to build a culture of collaboration and resilience—and why no mission is ever accomplished alone. Waldo reminds us: when the pressure is high and the stakes are higher, success doesn't happen in a silo. It takes trust. It takes preparation. And it takes a Wingman.

So gear up. This year, your mission is possible—and it begins with how you fly.

CLOSING KEYNOTE

Gregory Offner

THE PERFORMANCE PARADOX: HOW TO DUEL WITH DISRUPTION AND UNLOCK THE ONE CHANGE THAT CHANGES EVERYTHING

Mission Possible closes with a bang—of the piano keys, that is. Gregory Offner, world-touring dueling pianist turned Fortune 100 executive turned keynote powerhouse, is here to challenge everything you think you know about performance, fulfillment, and professional growth.

With a background as colorful as a Vegas lounge and as strategic as a Six Sigma playbook, Greg brings together stories from the stage and the boardroom to deliver a high-energy keynote experience (yes, there's a piano involved). His message? Soft skills aren't optional—they're your competitive edge.

Greg's journey from global sales leader to losing his voice for over two months—and nearly for life—ignited a mission: helping leaders and organizations uncover the one change that can change everything. His insight, humor, and musical mastery will have you laughing, learning, and looking at leadership through a whole new lens.

This isn't your typical keynote. It's a show. It's a challenge. It's your invitation to rethink what high performance really looks like—and how you can unlock it.

**Stick around for the door prizes at
the end of the closing keynote!
You must be present to win!**

Conference Scholarships

Scholarship Application Deadline: September 15th

Interested in attending Texas PRIMA's annual conference this fall but your entity's budget will not allow for it? Here's your opportunity to apply for a scholarship to the 2025 Texas PRIMA Conference in Galveston, Texas!

The conference scholarship allows public risk management professionals across the state of Texas the opportunity to attend the annual conference when their entity lacks the financial support to allow them to attend otherwise. Texas public entity members who have not attended the last two Texas PRIMA conferences are eligible to submit an application. Full and partial scholarship funds are awarded for registration, 2026 Texas PRIMA membership, and lodging at the conference hotel or nearby hotel. Public entities include cities, counties, state agencies, school districts, and other special districts. Eligible entities may receive no more than one scholarship per organization. The scholarship application deadline is September 15th. A limited number of scholarships are available to attend the 2025 Texas PRIMA Conference, so don't delay – apply for an annual conference scholarship today!

STUDENT SCHOLARSHIPS

Texas PRIMA is excited to once again offer student scholarships for full-time students currently enrolled in an accredited college or university located in the state of Texas! Full and partial scholarship funds are awarded for registration, 2026 Texas PRIMA membership, and lodging at the conference hotel or nearby hotel. A limited number of student scholarships are available. The scholarship application deadline is September 15th.

Educational Sessions

Whether you are a seasoned risk management, safety, employee benefits, human resources, or claims professional, or if you are just beginning your career, the Texas PRIMA educational sessions will offer new and exciting information from your colleagues and peers in risk management and related fields. The agenda has a full range of topics with educational tracks, including General Risk Management, Employment Practices and Benefits, Workers' Compensation, Safety and Claims, and Leadership.

Continuing Education Credits

The Texas PRIMA conference will provide continuing education credit for select sessions from the Texas Department of Insurance. Registrants wishing to receive TDI CE credit must sign in and out at each session. Texas PRIMA will also provide continuing education credit through SHRM, HRCI, TASBO, and PACE Certified Case Manager programs. Additionally, select sessions will be submitted to the Texas Bar for continuing legal education credit approval. Visit the registration desk during conference hours with any questions or for more information regarding a certificate of attendance or other certification programs.
