

RISK MANAGEMENT PRACTITIONER CERTIFICATE PROGRAM

Cut costs with lower risk and better decisions.

Establishing, developing and embedding an effective risk management strategy will help your public agency save money.

HIGHLY EFFECTIVE COURSES

The Risk Management Practitioner's Program from CPS HR Consulting will show you how to implement better risk management practices. This training series of day-long courses is specifically designed for risk management assistants, workers' compensation specialists, human resource analysts/assistants and frontline supervisors responsible for practical, cost-effective risk management. Attendees will return to their jobs with tools and strategies that they can implement immediately.

ABOUT CPS HR CONSULTING

CPS HR is an innovative, client-centered human resources and management consulting firm specializing in solving the unique problems and challenges faced by government and non-profit agencies. We understand the needs of public sector clients and have served as a trusted training partner since 2004.

AVAILABLE COURSES

COURSE #1

Overview of Public Sector Exposures and Risk Management

March 6, 2020

Why is skilled risk management so critical to organizational success? What does an effective risk management professional do? Learn the responsibilities of a Risk Manager and expand your understanding of how risk management contributes to your organization. You will walk away with key concepts and tools used by risk managers and form new insights into the unique loss exposures public entities face. You will also learn about the foundational laws and regulations shaping the profession.

COURSE #2

Insurance Administration, Review and Risk Transfer

April 10, 2020

Manage your organization's risk exposure like a pro after taking this class. You will master the complex and confusing world of insurance, learn to successfully transfer risk and apply new knowledge about working with brokers and navigating contracts to minimize risk for your organization.

COURSE #3

Property and Liability Claims, Safety and Loss Control

May 8, 2020

Plan proactively! After this class, you will know how to identify and evaluate your agency's particular loss exposures while implementing sound proactive loss control measures. Impress your managers with strategies for navigating investigations and litigation and assessing current trends and evolving risk.

COURSE #4

Workers' Compensation

June 5, 2020

Handle one of the biggest areas of risk management flawlessly after taking this session. Return to your job armed with strategies and tools to effectively administer standard workers' compensation and employer's liability policies within your organization. You will engage in hands-on exercises that provide practical guidance on how to administer claims and maintain records.

COURSE #5

Disability Management and Early Return to Work

July 10, 2020

Demystify this complex area of risk management when you attend this important session. You will explore both work-related and non-industrial injuries as well as the similarities and distinctions between "temporary modified duty" and "reasonable accommodations." Learn to engage in the interactive process and uncover the intersection between medical limitations and workplace disabilities, as well as the benefits of maintaining an effective Early Return-to-Work (ERTW) program.

If you are interested in a class that has already passed, please contact us at training@cpshr.us or 916.263.3614 Option 3 for more information.

PRICING & REGISTRATION

Each course is \$199 per attendee. Register today at http://bit.ly/RMP_CorpusChristi
